SPEECH OF PRESIDENT RODRIGO ROA DUTERTE DURING THE PHILIPPINE COUNCILORS LEAGUE 2ND QUARTERLY NATIONAL EXECUTIVE OFFICERS AND NATIONAL BOARD MEETING & CONTINUING LOCAL LEGISLATIVE PROGRAM

[Delivered at Convention Center, Megaworld Boulevard, Iloilo Business Park, Mandurriao, Iloilo City | 20 June 2018]

Salamat po. Thank you for your courtesy.

I would like to say the predicate of my presence here. I thought that I was attending a wedding, pang-kasal ‘to eh. *[laughter]* You know Myra... *[crowd teases the President]* Marami palang nakaalam na... Alam niyo si Myra?

Sabi ko sa kanya kanina na sabi ko kung baka mag-isipan na --- maisipan mong hintuin ‘yang pagkadalaga mo. Eh binata pa rin ako. *[cheers]* Ayaw man niya. Matagal naman ako nagaligaw. *[laughter]* Wala man nangyari. Ganun siguro.

Interior and Local Government officer-in-charge Eduardo Año; Presidential Assistant Michael Diño; Presidential Adviser on Political Affairs Francis Tolentino, ah senador, mag-message ka na sa kanila. *[applause]*

Pati itong si Bong Go, na-invite lang sa Congress ng frigate ano deal, tapos gusto na --- tumatakbo na ng presidente. *[laughter]* Ayaw na magpapigil.

Well, anyway it’s a God given --- ano ‘to --- magdasal ka lang. What is important that alam siguro ng tao na dapat ka nandiyan. Kaya you will be the most appropriate person to be there.

Iloilo City Mayor Jose Espinosa, happy birthday, sir; Philippine Councilors League National Chairman Danilo Dayanghirang. *[applause]* Ito ilang taon ka na sige itong mga presidente-presidente, hindi ka ba umalis dito? *[laughter]* Pagbigyan mo naman ‘yung iba. Mag-graduate na lang...

Myra may --- kailangan ko ng undersecretary. *[cheers]* Tinanggihan ko nga ‘yung iba sabi ko, “No.” ‘Yung... Wala man akong undersecretary ng Office of the President. Ang marami ang Executive Secretary, so marami. Pero ‘yung mga undersecretary or assistant sa --- ‘di ba ‘no? I mean it would be incongruity kasi assistant secretary of what? Maghanap... Magpatay tayo ng Cabinet member gusto mo? *[laughter]*

Philippine Councilors League National President Chavit Singson; the national, regional, provincial and local officers and members of the Philippine Councilors League to whom this moment rightfully belongs, I wish you all good luck; other distinguished guests; mga kababayan ko.

I will not take long --- not bother you with anything. But in the scheme of things now, if you are just worried about the distribution of the wealth of the nation in form with budget and what you get. Ah wala ho kayong problema diyan.

I have always instructed and that is my standing instruction all the way until matapos ako, God willing. Ah meron ‘yang national plan and I think it was Arroyo’s time sabi ko pati ‘yung kay Aquino, kopyahin lang ninyo ‘yan and distribute the public works, money equally all throughout.

But 'yung mga projects with --- na importante according to NEDA --- the previous NEDA and all the succeeding studies, tinapos ko po. So sabi nila we need a new airport sa Cebu. Pinakamaganda, magandang maganda talaga. Ah then Panglao, then Clark which is a very --- would be a very critical medium diyan dito sa bandang North. Tapos again ewan ko 'yung baka 'yung airport ninyo would need upgrading because you're getting a lot of foreigners now.

Mas na... You have outpaced everybody including Davao. Ako maligaya ako. Anything that improves anywhere in the Philippines. Eh wala na kasi ako sa politika.

Mine is just to say that everything is fair na walang ano. Hindi ako nakikialam po. Hindi ka magpunta sa akin na ano... I'll just refer you to NEDA and say that if it is good for the place, probinsiya mo di hingiin mo.

Then I'm sure NEDA would start to study the pros and cons; and if you deserve it, you get it.

Wala... I've never ordered anybody for anything for my city. Sinabi ko unahin --- unahin na lang muna 'yung sa labas. Huwag mong --- paano masyado sa akin because you know maraming istorya malalabas diyan.

So wala kayong problema diyan and if there's anything... Alam mo ganito 'yan eh. There seems to be an absence of political activity right now in my office. For one maybe because practically nobody supported me.

Well, sa North, Chavit pati si Imee. Then si Abet naman ng Bataan. In the Visayas dito ni wala akong isa except 'yung mga... Pero kung sabihin barangay captain o konsehal? Walang... Not even in the central Cebu. Wala akong isang lider doon sa barangay mismo ng tatay ko, Danao.

So in Mindanao, I only had Zubiri and... I'm not trying to amaze you with politics, I'm just telling you kung bakit. Kasi nagtataka ako wala ng pumupunta doon sa Malacañan. Unlike before I used to work for Gloria Arroyo as the adviser on law and order and security.

I used to go to the place --- frequent the place. I work for her. Ah Mindanao, except for Zubiri and a lady governor which I cannot mention the name. It would not be proper.

Iyon lang. And I got about 6 million majority. Sabi ko, "Panginoong Diyos, what do you want me to do?" At nung first impression ninyo was during the presidential debates.

Now alam ko kasi hindi naman ako nagyayabang lahat naman kaming mga trial lawyers, we always know that there is always a time constraint. So minsan ang judge mainitin 'yung ulo, masungit, matanda na. Sabihin niya, "stop it." Last three questions ka. So nasanay kami ng under pressure.

So 'yung presidential debates we were only given a minute and a half. So what can you accomplish with a minute and a half? You know if I were to go back in time, in the hindsight, I would tell them that it's: Do not do it, it's crazy.

This is just my advice to the TV networks. It's... You know if you want to listen to a politician or to a government worker and hear him out what he wants to do for his country, just give him mga 30 minutes to expound. Pero 'yung ganun na we were only given one minute to... Ah kalokohan 'yan. It's just for advertising and everything, make money.

Kaya ako, I would advise against it. Next time, it has to be a forum where there's enough time for everybody to say his piece. And it must be complete. So ang akin 'yung bullet lang. So nakinig naman kayo pala sa speech ko dito, it's just the same.

I will just remind 'yung isa... I think I saw Albayalde here? Is he here? Ah wala? I'm going there to... I'm going to visit also the 'yung...

Ako may... There seems to be a rift going on. I do not want to say --- to say the things that I'm not supposed.

But there's been a lot of killings sa --- ng mga pari. 'Yung gobyerno ko doon hindi interesado ng pari. Wala rin kaming...

I mean, General Año and I wala naman kaming ambisyon mag-pari bakit namin... There seems to be a --- especially a --- one who has the advocacy and talagang in a very loud manner.

But ako sinasabi ko sa inyo, we have the preliminary findings. I kept it to myself, hindi ko ni-release kasi it would not be good for the Catholic Church.

Ngayon 'yung bago ngayon meron nang kaagad --- 'yung bones na nakita ng babae. So mayroon kaming findings kasi nabaril man siguro 'yung isang pari na naman.

If they want me to show it to the Catholic Church, I will show it to everybody. Kung 'yan lang ang gusto nila, ilabas ko na lahat pati 'yung previous. 'Yung nauna na pari na pinatay.

There's a matrix there and you can choose your conclusion whatever it is. Iyan ang ano ko lang... That's the hottest thing in the moment now.

There seems to be something like an undercurrent going on. I do not want it for after all Catholic Church is not a political party. I have nothing to do with you so ini-suppress ko lang muna.

But if I release it to you and you demand for it publicly, I will release all including the previous killing of priests. Iyong iba naman totoo talagang pinatay for their advocacy.

But you know, it's not easy to kill a priest. I remember itong si Evasco, he was a member of the Communist Party of the Philippines. He was arrested nung ginapang sila ng --- nagpe-plenum sila somewhere in the North Cotabato --- ginapang sila ng mga Rangers.

So nahuli 'yan siya and at that time I was a fiscal. I was only given three assignments: cases against the military, and cases against the police and cases against rebels.

Kaya nang maalaala ko 'yang mga pari. Eh 'yung panahon na nahuli siya gusto na talagang ganunin. Sabi ko, "Pari 'yan..." And he lived... He survived that day. He was apprehended and he was in prison. And for the longest time, when Cory won, she issued the proclamation granting liberty to all political prisoners.

Ito si Evasco went to me kasi ako lang ang kilala niya nasa gobyerno. Eh kaya ako nagpo-prosecute sa kanya but at that time I was offered the OIC. Kami ni Danny 'yung first batch ng OICs.

I was the vice mayor. 'Yan si Evasco naglapit sa akin naghingi ng trabaho. So technical assistant. It's a very limited area for... And now siya na 'yung Cabinet Secretary.

Ganun ang buhay pero kung sabihin mo na sasama, wala man kaming... If there was really a period of our time na medyo galit ang mga sundalo pati pulis, 'yung mga aktibista na mga pari.

At I forgot the time General Adan and parang may ni-raid sila, sir, na sinunog 'yung --- nasunog 'yung simbahan o bahay ng pari na Italiano. Naalaala mo 'yon? Italiano ang may-ari.

And so dinemanda nila si Adan and the soldiers. And it was a priest. Ewan kung sabihin ninyo ito. But good as any other time to talk about it.

Alam mo the frailties of life, we all have feet of clay. Tao lang tayo eh. Then I was ordered by the SolGen to represent him to defend General Adan and the soldiers.

So there was this investigation but before the investigation, lumapit 'yung mga sundalo. "Sir, nakuha namin ito sa vault kasi kinuha namin 'yung vault, sinira namin. Ito 'yung nakita namin."

Well, at that time whether it was legal or not but the vault was... Well, the soldiers got possession of it and destroyed it and retrieved 'yung ano.

Nung magumpisa na kami, ipinakita sa amin ng --- sa akin ng sundalo sabi niya, "Sir, tingnan mo..." And it was not good. So tinawag ko si Ilagan, ang mga human rights lawyers, Ilagan, patay na, Bello, 'yung Secretary of Labor. Komunista 'yung g***** 'yan eh.

Si Dureza, Nograles, arrayed --- alam mo noon, pasikatan eh. Ipinakita ko sa kanila sabi ko, "Mag-opening remarks ako ito ang ipakita mo." Eh puro nakatuwad, nakatiwang-wang, nakaano. Kasi may sa simbahan may babae na ward doon na medyo may pagka-kulang. So she was kept there as a ward of the...

Iyon ang nakita ko sa --- you know what was portrayed in the picture was --- 'yung kuha ng instant 'yung polaroid. Kasi madali mag-create eh, pero makikita mo.

Iyan ang gusto nila eh di sige. O ito 'yung baraha ng gobyerno. But to be insinuating that... Wala man ako nakita kung bakit magalit 'yan. Anong martial law?

Martial law, may nililibing na sundalo dito nagpapa-party 'yung pari doon. At that time, sabi gusto na, sabi ko, "huwag, huwag."

Ako 'yung piskal pero dito sa akin kumukuha ng [clearance?] sabi ko, "huwag, talagang masisira tayo diyan." 'Yung mga ganun na incident pero sa ngayon wala.

Walang... Wala kaming policy na galit kami sa pari o... Nothing of the sort. As a matter of fact, nirerespeto ko 'yung simbahan.

Ang akin lang mahinto lang itong... There are a few bishops na medyo 'yang sabi nila parang nili-link nila ang gobyerno. Hindi ko... Sa totoo lang, hindi ko kayang magpatay ng pari pati babae, bata.

Pero 'yang matanda lalo na drug lord kita, eh with pleasure. Oo, totoo. Lalo na 'yung mga bigtime na...

Saan ang mayor ninyo dito? Saan na 'yung pinalitan mo, Mayor? Saan ba si Mayor?

Sinabi ko sa kanila, "magbalik ka dito sa... T*** i*****, patayin talaga kita." 'Yung sa drugs, sinabi ko na sa eleksyon. I think I had a fairly a sizeable crowd.

Not really that many but nagsalita rin ako dito during the campaign. That 'yang p***** i** droga na 'yan, talagang hindi ko kaya 'yan. Mag-aaway tayo diyan. At tsaka 'yung malalaki, kagaya mga mayor bobolihin mo ako. "Presidente, wala, huwag ka maniwala intriga 'yan ng kalaban ko." Pati 'yung bahay mo 'yung --- wallpaper tig-500 pesos. What kind of obscenity? Tapos bolahin mo ako nang ganun.

Itong mga mayors ganito. If you are into drugs, you better shape up. Huwag mong patayin 'yung mga pulis na ayaw sumama sa racket mo. Kasi 'pag ginalaw mo 'yung pulis, ginagawang --- military, individually they are helpless. Pero kung ang gobyerno na kalaban mo, p***** i** patay ka talaga.

Kaya 'yung warning ko sa mg politiko, individually yes, you can intimidate the police, eh sometimes you abuse them verbally. Pero 'pag malaman kita, I said individually you can. B*** s***** mo sa opisina mo o ipapatay mo. Pero once you start to do that, you are playing with fire. And I assure you, as I have said, do not destroy this country 'cause I will kill you. Do not destroy our children because I will really kill you. Period.

Mabuti't na lang sumibat itong g*** na 'to. Kasi nandiyan man talaga sa... Hindi makapigil eh. 'Yan talaga ang first ano ko. The human, sabi ko nga, frailty. 'Pag nandiyan, suddenly magpatayo ng bahay, palasyo na. Tapos sabihin, sige lang, "mahirap ako, mahirap lang ako." And you start something which is not I know it's beyond you.

Pati, ano bang --- I have the General Año here. Used to be the Chief of Staff. I have the military. I have the PDEA. Malaman ko talaga. And you are selling something which is for the public. And it would become a public knowledge na saan kinukuha 'yan. Ipasa-pasa lang.

Ako mag-*[garbled]* ako isa ng drug addict. Dalin ko sa bukid, lagyan ko ng baril.

“P***** i** ka, saan mo kinuha 'yan?”

“Sir kay ano...”

“O damputin mo 'yun. O ikaw? Gusto mo ikaw rin?”

O karga ko ng helicopter.

“O tatlo kayo, ayaw niyo magsalita? Ihulog mo 'yung isa. O sige dalawa na lang kayo. Sino magsabi ng totoo? P***** i**.”

Sabi, “Sir...”

O ayaw talaga kasi nandiyan 'yung isa. O 'di ihulog mo.

“O ikaw na lang mag-isa. Bakit ayaw mo magsabi ng totoo?”

“Sir, sabihin ko na totoo sir. Huwag mo lang ako itapon.”

“Hindi, huwag. Kasi nagsasabi ka na ng totoo. Anong totoo?”

Nagsabi ng totoo. 'Di ihulog mo. *[laughter]* O 'di wala ka pang problem... Tatal isda man lang kumakain niyan.

Ganun 'yan eh. Paano ka makatago? Paano mo ako maloko ng...?

Now you maybe, you might have been --- sa TV kanina. Nanuod kayo? It's scary, a high percentage of our children. 14 years old they start... Halos --- I don't know. Padaan lang, papunta akong washroom eh. 78 something. I don't know if 78 of our children are --- sus kung ganon magwawala talaga ako.

Believe me, protect the country by simply protecting our children. We do not protect our children, do not expect this country to... As it is now, mahirap man tayo. Eh sabi economy? 'Di ba economy, ang Amerikano just raised the interest high.

Ang ibig sabihin niyan, automatically 'yung peso mo, bababa 'yun. So... Paano naman magawa natin diyan?

Eh nag-ano si Trump eh. Nagwala. I don't know if he's right. But seems to me that --- well I do not want to criti --- Kaibigan ko pa naman siya.

Tawag 'yan siya, “Yes Rodrigo Duarte?”

“Sir, it's Duterte.” *[laughter]*

Iba man 'yan si Duarte 'Yun man 'yung diktador. I think diktador ng Argentina many years ago. Kaya 'yung “Don't cry for me Argentina.”

So 'yun lang ho. Nasabi ko naman, kung narinig na ninyo. Drugs pati corruption. Mahirap talaga 'yun. Sabi ko nga, I'm not saying that I'm the cleanest. Marami akong mali as mayor for 23 years, congressman. Marami rin akong palpak. Pero sa awa ng Diyos, it is not an issue of money or corruption. Sa ano lang, sa --- si... *[laughter]*

'Di ba siya may-ari ng hotel na 'to? Tawagan mo. Huwag na niya tanggalin 'yan baka sagutin pala ako ni... [laughter] Bukas na. Nandiyan si Mayor o. Pakasal na lang tayo. Hindi mo kailangan 'yan notice, notice. Alam man nila na binata ako. Bakit pa mag-post-post diyan? Diretso na.

Sabihin na naman nitong mga --- ano daw ako 'yung woman-hater. Kasi hindi ko kayo pinapansin. Si... mahirap. Wala. Sabihin ko ha, sa airport pagdating, dalawang babae humalik sa akin. So wala akong magawa. May mga TV. I don't if it was covered. Kasi nag-ganun. Tapos nagyakap. Nandiyan naman 'yun security pero ganun. Alang-alang hiyain mo nandiyan na eh. [applause]

Siguro mga tatlo 'no? Tatlo ito... Aide ko sa police 'yan taga-bilang. Ilan? Tatlo? Sana pag-uwi ko ngayon may kulang na isa. [applause] Maski sa likod na lang sa stage, okay na ako. [laughter]

'Di totoo, this is the second time na nag-flirt ako ng --- sa kanya. Noon sa Davao. But be prepared to --- huwag kang magsagot kasi itong mga walang magawa. Pati 'yan bigyan ng malisya ng --- 'yan nga tawag diyan eh, I call it a...

I remember in my Psychology. I would term it a phallic syndrome. Bakit mo lagyan ng masama 'yang... Ang masama pa may kaibigan ako --- ay kaibigan. May babae pa nagsabi, "It was indecent of him. It was an act of lasciviousness. And all the characterization of a kiss na. Ano ba naman 'yang...

Not knowing, forgetting that... Marami pa akong kopya sa video niya sa... Pati 'yung aso niya nagtakbo-takbo diyan sa. Kaya kung makasabi na 'yung aso --- magsabi ng totoo 'yan. How can... Saan ang --- Where's your common sense? You exhibited your lust in public tapos you put meaning doon sa paghalik.

Ako ma'am ganito 'yan. Ayan, ito, ito si Danny. Sa Davao nauso 'yung baller, right? So magbigay ako noon. Magbigay ang mga Instik. You know my father was, my grandfather, mother sa Chinese. Nagbigay sila baller. Magsabi naman ako sa audience na. "O sinong gusto?" "Ah" ganun. Siyempre hanapin mo 'yung maganda. "Ah Myra. Halika dito." Pero sabi ko... Pero sabi ko doon, "May asawa ka na? Wala ka bang ano diyan, dito? I haven't seen you for the longest time. Hindi ka pa ma... You're not... I might offend somebody here. Wala kang ano? May kasama siya?" Eh guard patayin mo. [laughter]

Sabi ko, gusto ikaw. "Pero ang bayad nito," sabi ko "halik." Ayan si Danny o. Lahat ng babae na tinawag ko. Hinalikan ko sa... Tootoo 'yan. Publicly I am admitting it to you. For a thousand times, it is true. Ganon po ang pagkapolitiko ko. And I embrace everybody. Talagang ine-embrace ko talaga. 'Yung mga taga-Davao. You know, because they made me for the long... Kung makumpleto ko ito, I almost stayed in government for 40 years. A good number of that is politiko.

So bigay halik. May nakita ako doon sa likod naka-flaming blue tapos naka-shades. Mataas ang buhok. Sabi ko, "Iyong naka-blue halika dito."

Sabi niya, "Ako?"

"Sino pa? Halika dito."

Naglakad doon man dumaan sa likod ganun. 'Di sabi ko... Pag-akyat --- anak ka ng.. Hindi naman sa pang-ano. Pero akala ko babae. Ang apple --- ang Adam's apple niya kalaki. Wala akong ano ha. Wala akong dynamics diyan, sa totoo lang.

Pagdating doon, sabi niya, "Kiss?"

Sabi niya, "Yes." Hinalikan ko siya.

Sabi ko, so ano man 'yung --- nagtawanan na 'yung mga tao, wala man akong --- Sabi ko, bakla man ako noon. [laughter]

O 'yan na lang ang palusot ko. Hindi ko naman... Pero ako maski sa dormitory noon. Ayaw ko talaga 'yung mag-ano-ano ng mga gay. Nagagalit ako kasi...

Iyong dalawang ano ko, public naman ‘yan, ‘yung dalawang kapatid ng sister ko magkasunod puro gay. ‘Yung isa ‘yung --- pareho ‘yun sila ‘yung stewardess. Ang asawa ko stewardess noon ‘yan eh. Noon. Kaganda niyan. Kapayat. Magdaan ‘yan sa eroplano, inaamoy ko talaga.

“Ang ganda nito.”

Sabi nung taga-Davao, “Taga-Davao man ‘yan?”

“Ha? Saan?”

‘Yun hinanap ko na. Tapos naghiwalay kami kay mahirap ‘yung ano, ‘yung mga half-breed. Eh German. Eh ikaw, Española ka ‘no? Mas arang-arang ‘to. German, mahirap.

I’m separated with my wife. We’re on good terms now. The best of friends nga eh. Kasi nandiyan si Inday. P***, baka upakan... The reason why behave ako kasi... Si Inday, okay lang. Hindi man ako takot diyan sa mga asawa ko. Takot ako kay Inday. Kasi si Inday nagbubudyak eh. Baka pati... gikulatang ‘yung sheriff. Baka ikaw pa...

Gikulatang

So ‘yan. And I told you that I will not... Basta ‘yung MRT mga --- walang transaction sa opisina ko magdating. Either sa, ‘yung sa opisina ko across the river. I don’t call it --- except that it’s my office. Nakokornihan ako tawagin ng Palasyo, Palasyo diyan.

And even may isang insidente dito, may I explain? Iyong secretary ng DPWH kilala ng sister ko. And they were talking about ‘yung Mindanao. ‘Yung Mindanao Railway, blueprint pa ‘yan, they are still working at it on paper. Pero may warning na ako. Sabi ko if any of my children, relatives o sino using my name, consider whatever it is denied.

Itong si Undersecretary Tolentino. I’m sorry to him --- to name name. Was talking to my sister. Pero nung kinquote (quote) siya sa newspaper, sabi niya, “as a matter of fact, matuloy ‘yan. As a matter of fact I was talking to a member of the first family.”

So wala na akong tanong. I fired him. Sabi niya, “Wala pa naman ‘yan, mayor.” I call myself mayor. When I address myself mayor, ako ‘yan. I do not call myself any other name. And maski kayo, when you address me, you address me as mayor. Pagka sabihin ka ng ano --- hindi kita pansinin. Just call me mayor.

Sabi ko, sinabi ko sa inyo not to talk about any project, whether it is future, present, perfect, past. Iyan ang i-guarantee ko, walang papel dumadaan sa akin. ‘Yung mga MRT, ‘yung mga airport reclamation. Kaya kaya ko magmura kay Gabby Lopez, ABS-CBN. Wala kayong makuha sa akin. Bangko? If it exceeds 40 million, I will step down.

Sabihin ko, “Gabby mukha kang pera.” Kaya kong magbastos ng tao. Kasi wala ka talagang --- hindi ako humahawak ng papel. Except appointments, but that is something else. You have to be qualified.

Kasi pati ‘yung newspaper, Inquirer. ‘Yung doughnut owes government four billion, walang bayad, bayad ‘yan. Inquirer eh. Prieto eh. Kaya may leverage siya. Kaya sabi ko nga, kaya ako galit, mga p***** i** kayo, when you criticize us is it talagang galing --- we are from outer space, mga demonyo. ‘Yung editorial ninyo...

Sabi ko, kayong mga mayaman, kayo ‘yung mga number one nasa graft and corruption. Doughnut, ‘yung doughnut na pagkain, you owe government four billion. Panahon ni Henares, ang binayad ninyo eight million lang. Panahon ni Lopez --- Lopez Group of Companies. Inubos ninyo ang pera nanghiram ng DBP. Nung dumating ang panahon sa bayaran anak ka ng p***** i** kinondone (condone) ‘yung utang kaya galit ako sa inyo.

Hindi ako magalit sa mga mayaman. Galit ako for those na akala mo with all the pretensions of --- tapos kayo ang number one.

How many presidents? Mabayaran ba seven billion? How many presidents dumaan? “P***** i** bayaran mo three days.”

Kaya ito, may sabihin ako sa inyo. Itong linya, meron ‘yan mga choice na linya eh... Frequency. May mga choice ano ‘yan, ‘yung magandang --- lesser obstruction. But I don’t know what...

Binibigay ng gobyerno ‘yan for free if you are really into it, in good faith. Alam mo itong dalawa, alam mo na kung sino ‘yung dalawa. Kinuha nila kay Ongpin. ‘Yang si Ongpin marunong ‘yan eh. Talagang any administration. Tapos binili nitong dalawa ngayon. So I am hankering for a third player.

Sa meeting --- Cabinet meeting kami. Alam mo sinabi sa akin? They will return it. Itong dalawa na ‘to. Globe pati Smart. Basta i-reimburse sila kasi nakapaggastos sila. Ito nandiyan si General Año, nandiyan si Tolentino.

Sabi ko, “F*** you.” Sabihin mo sa kanila, you return that frequency because it was given free. Kinuha ninyo kay Ongpin ‘yan. Sabi ko, sinabi ko kay General Rio ‘yung DICT Secretary, “Puntahan mo ‘yan ngayon gabi sabihin mo sa kanila, ‘F*** you. Nakagastos kayo. O p***** i**. Bukas magdating ang BIR. Tingnan ko ‘yung papel niyo, ‘yung gastos ninyo.”

O eh sabihin na direktso ka lang magbigay. So may transaction ‘yan. O ‘di titingnan ko ‘yung libro ninyo. Following day, ang Globe nagsauli. Three days after, si Pangilinan sinauli. *[applause]*

Huwag kayo mag-clap kay kunin ‘yang telepono ninyo. Sirain ‘yang linya. ‘Di mo na marinig. Totoo.

You do not have to love me. You do not --- you do not even have to like me. Wala ako diyan. Wala na ako.

I will never go to you asking for a favor, for a vote. Maybe... I don’t know itong sunod. Baka may suportahan ako. Tingnan ko. ‘Pag hindi, mag-retire na ako permanently.

Ayaw ko ng --- ayaw ko naman ‘yung may mag sama ng loob. Eh ‘di sige. Kayo na lang diyan, bahala na. Tapos na ako. Ang next nito is sementeryo na. O wala namang iba. Kung mahulog ‘yang helicopter ko ngayon, magpunta pa man ako sa Bacolod. No more. Si Robredo na. Hala, pakpak ‘yung mga taga-Bicol. *[laughter]*

Wala na ako. So I don’t even care about that thing ‘yung rating, rating. Bigay mo sa kanila ‘yan. It does not mean anything to me at all. So bakit ako mag --- Basahin mo ‘yang rating. They can give me a zero. Wala akong pakialam. Basta ako magtrabaho.

Ngayon, kung tanungin ninyo ako, ‘yan ang sasabihin ko. If you’re asking me now... Gen --- Francis o si --- baka si Chavit... Huwag --- ayaw ko na. I do not want. I do not want to belittle the... Don’t do it. Don’t do it. It’s the loneliest and the most...

Kaya kung mag-decide, ang akin naman mga policies lang eh, ‘yung direction ng financial, how we can correct the system, ganun. Economics...

Pero 'yung maski anong gawin mo. Kagaya nitong --- nung panahon ng election, binaboy talaga ako nang husto. Itong mga 'tong network na ito, kaya ko silang bull s****. F*** you. Wala akong --- maski mag-halungkat kayo diyan. I will not give my account number to any son of a b**** or any Filipino.

In good faith ka, gusto mo na buksan ko, samahan kita. Bukas. If I think you do not have any political agenda o gusto mo lang malaman ang totoo. Kung si Myra sabihin ko ito lang ang pera ko. Baka... Magkasya kaya ito? May savings ka ba diyan? Kay itong akin...

'Yung ano ko --- ang talkaties ko is parang dialogue lang. Then I said that --- talking to... I'll talk to the enemies of the state. Nag-usap kami ni Sison. He will come home. Maniwala ka.

Ang BBL is pending in Congress. So bahala na kayo diyan. I'm talking with Misuari. We have a sort of a modus vivendi. So...

At in the meantime, meron tayong peace... Ngayon, kung matuloy 'yan kami ni Sison, I don't know. Pero sabi ko sa kanya, "You want to overthrow the government. Not only my government, the previous governments of the Republic of the Philippines. You want to seize the machinery of government? You want a totally different nation? You come home. I'm challenging you come home. And I give you my firm commitment, personal, and official. I will assure your safety and security. I will pay for your fare sa eroplano maski first class, kasi may sakit ka na eh."

Then I have said, "We have --- I'll give you the small window of 60 days. Make or break tayo dito sa panahon ko. 'Pag hindi --- walang mangyari dito, then forget it. But I will see to it that you are able to board the plane and go back from where you came from."

That is my --- pero sabihin ko sa'yo at hindi kita tinatakot. But as a matter of principle, I have to say this: Huwag na huwag kang bumalik sa Pilipinas kailanman.

'Yan hindi kita tinatakot. Pareho tayo, marami kang sundalo na NPA. I'm just telling you, if these talks would fail, huwag na huwag kang bumalik sa Pilipinas.

Then I promised you --- I said I will not interfere in the transactions. I will not indulge in graft and corruption. And I'm telling you now, talagang 'pag --- anybody else, then I cannot help you.

You can come to me for anything. Pero 'yang mag-areglo ng graft and corruption, I'm sorry. I cannot help you. Other matters, you can go to Malacañan.

Now, the reason why I said there's to be, seems to be an absence of political activities, wala kasing pumapasok doon. Either siguro nahihya... 'Yun, 'yung dynamics ng human relations. "Huwag kasi hindi tayo sumuporta."

But actually, you are all invited. And if there's anything that's bugging you, huwag lang 'yung graft and corruption, I am your --- I am, I was chosen by the people and to serve as a worker.

I am a worker of government. There is no such thing as a first family. That is, to me, odious. Huwag na 'yang gamitin 'yang first family. There is no first family. Every Filipino in this country is always a first family. *[applause]*

'Yan ang pagka... Huwag na tayong magbolahan na... Sabi ko, wala man nagre-respeto niyan. It does not attach itself any meaningful, emotional thing.

Ang royalty, 'pag sabi nila *[unclear]* talagang... But dito, first family, first gentleman, first lady. Magbilang tayong. May pangatlo pa sigurong... *[Hindi na lang ako mag-uwi, Bong. Bukas na ako. Mag-commercial na lang ako.]*

'Yan ang pangako ko and that is my pledge to you. Basta huwag lang dito sa drugs. Kasi kailangan magsalita ako kasi... Do not ever, ever use your office as a platform for drug activity. P***** i** mamamatay ka talaga. As sure as the sun will rise in the east, you will die. Kasi you...

Ang access mo, then you have the authority. Ang mga police medyo --- huwag 'yan kay sige ano. Barangay captain 'yan. Ah t*** i**.

Noon 'yun. Ngayon, huwag, kasi mainit talaga ako because I know --- I said I was prosecutor, I've seen so many --- I've tried so many cases in court only two *[unclear]* collapsed because of tinatakot.

Kaya ganito. Hoy, Human rights, makinig kayo. Police, nagtatrabaho tapos padalhan nila 'yan picture ng asawa mo, bumaba ng sasakyan o palabas ng eskwelahan o naglalakad. O tatawagan o bastusin 'yang asawa. Blah blah blah. You paralyze now government.

Kaya diyan ako sa mga. Huwag mo akong --- Do not f*** with my soldiers and my policemen. Nagtatrabaho lang 'yan. Kaya 'yung mga policeman, wala na masyadong army, nandiyan ka sa droga, kasali ka. Dapat ikaw, pati 'yung mga military, pati 'yung --- palagay natin police, barangay captain. Unahin ko kayo.

Tatal pagtanong sa akin niyan sa prosecutor, "nagyangabang ka man doon sa Iloilo na patayin mo." "Istorya man lang 'yan. Bawal pala?"

Gaya nito, 'yung mayor ninyo. "Wala, hindi, wala akong kasali diyan." Magtanong siya kay Bong, "Galit ba si..." Ako. "Si mayor?" Sabi niya, "Galit ka ba daw kay..." Sabi ko, "Sabihin mo siya, siya ang sunod."

'Di na... na-mayor 'yan si ano, si Espinosa 'no? Mayor Espinosa, maski isang ano lang, doughnut, okay na ako, huwag lang 'yung ano --- huwag lang 'yung 'di nagbabayad ng utang.

Now, one of these days --- hindi ko hayaan 'yan. Not because I'm vindictive. No, it's not that. Matter of... Kailangan ko talaga habulin 'yan. Magbayad kayo. Hindi man pwede basta-basta na lang na tayo magkamali lang --- 'yan ang ayaw ko. Ganito ha. Mag-[hapunan?] na tayo. Pa-Bacolod pa ako eh.

Diyan sa Sandiganbayan. Nakinig man 'yung mga justices ngayon. May makita ako diyan, kakilala ko. Matagal ang --- matagal ako diyan sa ano. Hindi ako nag-yabang. Just to show bakit alam ko. 'Yang Davao noon was one province. One huge province 'yan. Ang last governor of the undivided Davao, ang tatay ko.

Kaya pagkamatay niya, pinaghati-hati nila 'yan. So you have Davao City, Davao del Sur, Oriental, Davao Norte, ComVal Valley, 'yan. Binigay kay Rabat, Oriental; kay Floirendo ang North; South kay Almendras, pati kay Danding Cojuangco. It was a gerrymandering thing. Ang Davao became a separate --- had a separate identity. Chartered city kasi 'yun.

So makita ko 'yung mga ano. Sabi ko, "Kumusta ka?"

"Mayor, nandito kami." Iyong barong, sira-sira pa. May...

"Bakit?"

"Mayor, may hearing kami sa Sandigan."

"Bakit?"

"Yung ano namin ni mayor noon."

Alam mo kasi, ang matatamaan diyan --- may mga corrupt rin ang mga Ombudsman. Titirahin nila 'yang --- alisin nila 'yung... O kung may naiwan pa doon sa kickback mo, i... Tapos ang bibirahin ang municipal treasurer o kaya assessor.

'Yan ang nagpupunta dito walang pamasahé, wala lahat. Kaya ako naawa. Maawa ako diyan. File nang file, file nang file. Karamihan naman bumabagsak 'yung kaso kasi... Pero at the same time na --- mapurnada talaga 'yung tao.

Ganyan 'yung nagyayari diyan. 'Yun ang totoo. 'Yung sabi mo na ano... Si Morales, akala mo na... Walang, walang... Puro kalaban ang...

One day, I will show it to you the DAP na hindi niya ginalaw. We'll publish it. But we will have a new... After she makes the --- exit officially, may bago tayo. I don't know. I have a short list. Men of ano talaga --- unshakable. Pero I have to -- in addition to that, I have to talk to a lot of people. May judges and lawyers and the entire gamut of the crowd sa gobyerno. I hope everything will --- na ma-correct natin 'to.

Ang akin, ano naman... Sige sulat diyan. Babae. Kasi... Tapos extrajudicial killing. Never denied it. Wala akong... Sinabi ko, "pagka sinisira mo 'yung bayan ko..."

You better follow up sa kaninang --- about the number of children as early as 14. Na-ano lang kasi papunta ako ng banyo eh.

Ganito 'yan eh: "Si Duterte o, 7,000." And they go abroad. "O, 7,000." 'Yan lang? You want me to go to prison with that 7,000...?

Marami man abogado dito. Can I go to prison for that? Bakit hindi mo baliktarin? Sino itong p***** i***** pinatay? O ayan. Makita mo anong ginawa. Iyon rape, murder kung wala ng...

When the monkey rides on their back and the craving starts, maghanap talaga ng pera 'yan pumapatay ng tao 'yan. At alam mo bakit proportionally? Because shabu is the most toxic of all.

Ang United Nations definition sa Control --- Narcotics Control Board sa United Nations, ang shabu causes bizarre and violent behavior. Makita mo pag [nalasing?] mag-rape ng bata, kung ano-anong gawin kasi sira ang utak.

Now, ngayon, bakit 'yung mga iba, eh marijuana is organic eh. Not really... Ang shabu is a chemical. Ang ginagamit pa 'yung mga formalin, tapos 'yung tubig sa baterya. Anak ka ng... Kaya ma-u***** talaga. And when they go crazy...

'Yung babae na umuwi, sabi ko nga [*garbled*]. Sige siya sa katok --- hindi niya marinig kasi umuulan, siguro walang ceiling --- diretso ng...

Hindi marinig, maya-maya tinabihan na siya. Diyan lang rin sa --- ilang bahay, ni-rape tapos sinunog. Kung ikaw ang Presidente, maligayahan ka diyan?

O tapos dito may construction workers pinaki-alaman 'yung nanay na buta. [*Ano ba ang buta sa Tagalog?*] Bulag. 'Di kasi nag-aral itong mga Tagalog ng Bisaya eh.

Ayan. Pinakialaman 'yung daughter-in-law, pinakialaman 'yung katorse pati 'yung bata nandoon. Ay naku. Huwag mo ako bigyang ganyang istorya na 'yan. Hindi tayo magka-intindihan niyan. Away sigurado.

Collision course talaga. 'Pag ganyan... Kaya sabi ko lahat ng, lahat ng --- lahat ng munisipyo, kung marami kang kasong shabu, marami kang kasong ano, I will --- marami kang kasong murder, marami kang droga, I will ask the Secretary of Local Government to investigate you. Explain to me bakit.

Kung wala, tanggalin 'yung pulis then we file charges. Gross neglect of duty is a dismissible offense. I will not hesitate to fire you. Sabi ko wala na akong politika eh. Ubusin ko itong mga... You better work on it and work on it well because hindi kita papalusutin.

Pero kayo, kung --- if you happen to magkakaso kayo in connection with your official duties, you can count on me. I will guarantee you, just like the policeman and the soldier, I said I will not allow you to go to prison even for a day. Hindi ako papayag. Basta in the performance of duty, hindi ako papayag. I will not. Ayaw ko. 'Yan ang garantiya ko. 'Yan ang garantiya ko sa inyo, if it is connected with your duty, and you are in utter good faith, maasahan mo ako. Lalakaran ko 'yan.

And I will just tell the investigator, you know, you just --- ayusin mo lang pag-imbestiga. Huwag mo 'yang --- "let there, there being a prima facie case, let this case be filed." Kalokohan 'yan. Give me a substantial investigation.

Kaya itong mga kriminal, kayong mga kriminal, kayo bahala. Wala kayong maasahan na kakatayin kayo tapos 'pag pasok dito sa kulungan, [*unclear*] mag-pasok ka sa presohan?
O kaganda-ganda niyan ha ipapasok mo sa kulungan? Pareho kayo ni Myra kaganda.

Ah mag-uwi na tayo. Sige kayo...

I would like to thank the president and everybody for giving me this chance to talk to you. I could not have chosen a better crowd, not only because I said the politics has di --- not really divided but there seems to be an apparent wall between us.

Kasi karamihan naman ninyo allied with a political party and I understand it. But if there's anything that I can do, na ano, anything at all, maski na sabihin mo na personal. Ayaw ko na lang ano... Pero 'pag --- if it is just a question of sabihin mo treatment or ospital, alam mo 'yun, just like the soldier, minsan matatamaan ka ng [cancer?]

If you are not, if you cannot go anywhere else, you can come to me and maybe I can help you. *[applause]*

Maraming salamat po.
